1. I have given you my glory, my mantle, **looking up**? What shall I do with "your mantle" if you give me "your mantle"? What shall "I return" you in "your mantle" to you?

2. What new meanings have I established in these words? What given you have I, new things, new eyes to see with and or having or birthing the opening thereof -- to me, my mantle'er ways, not; or exactly so? Soulishness now knowing, not; what are you NOT KNOWING now and what have you UNLEARNED and coming unto now the MANTLER'D ways of me are you? What ways are you have you laid aside "the weights" that so easily beset you did? And what have not are you picking up not again or are you picking up weight or weightlessness, matters now of a King's? The King's table is mattered now with things of light, but not molecular'd, or is it too; heavy for me, not; but what is made "light" of, not; but what is MADE LIGHT of now and EVERYTHING *being* the light made of me us one who permeates sorrow not but will with our love, do we now do this?

3. Yes and now NEW THINGS I bring thee, significance of, the "things" I bring thee, not; but the thing –s thou makest are "mantulars" not, but the MANSIONS I have prepared are just coming into view for the JUST not few at all! For the Justice of the Mantle'd Ones who wear MY MANTLE and not "yours" apart from you, apart from mine, that one are, is now doing a GREAT "work" or ARE WE ENTERING a great new "period of sorrow" not, but are we entering The Promised Land yet with our "mantle" in tact?

4. And what mantle "shifts" and what "mantle" worn-out is? And what "mantles" shall be worn no longer, or "adjoining" or contiguously laid "plates" spinning or not or how contusions complacency will combibe me, not; but carbides carbuncle won't, not; or what carbide or carbons won't exist to combobulate me in? Or what mantular frozenizations won't be mechanizations of sorrow's intent again?

5. I love you all and how will you "figure all these things out" of a "normal theory'd one" not, but an Experiential Satiality now reigns in my kingdom where it is not "theory'd" of others who only theories make of things that never create them or behold the righteousness therein of the just who mantle'd are with the Righteousness of Christ the Creator of all things Righteous who righteous are in Their Creation of The Righteous

who stands now with The Mantles of The King who the King is being The King of Kings forevermore!

6. And a day, who made, this one? And who lasts "twenty-four hours" not, but whose CLOCK did you make or is, ticking away or has the tickitus tucked me away, not; but "tachometers" going crazy or "directionometers" or "direction needles" or what needles are no longer being used in My Kingdom MANY THINGS are NO LONGER being used are used for infamous's personages or usages of the not holy, not or not, or "double nots" or have "knots been tied" or they untied now?

7. Many things in your "brain" are UNTIED now and the FREEDOMULAR me is the FORMULER of me, not; but the formulae lie no more, not, but with the "dogs of satan's" ears no longer lie "fleas" of a "method or manner" of a not King who only "hears" what "he wants", for all of THAT changes and the LEADERSHIP of THIS COUNTRY changes for the COUNTRY of MINE will be KEPT in the skies or not by the eyes of the unholy nots, or whose eyes change everything's in Washington's, not; but what is WASHED with the glory and grace of a globular'd one not of this earth? Or what reigns in sorrow no longer but here who where moves the Capitol of "me" where? To Tulsa's regime, not; but there will be no "regime of satan" in my capitals for the ethics of a King are pure and holy and light transparent is me my mantle worn by not few now who know Politics is not Persuasion of the People for the "polite few" who "politico" boroughs make to politeness placate placation's devices without meanings of sorrow, not; but all that has changed and changed is! UP and DOWN the rows of me there will be many "horse shoes" not, but let me tell you I am not a "two party" system for I am not a "system" of the unholy that adversarial positions take and "pump out" a warrant for warrants of "arrests" not but what has arrested them from the not few who no longer want the politified burdens of the burdenage'd ones who know not my mantles of light resident within them are and flowing now will, in the offices of the "polite" not, but the ones who KNOW ME will flow me WHEREVER they are and THEIR MANTLES will be known for their WISDOM is of mine and MINE is, for they WILL BE ME!

8. The ME'S of this earth is ME'S of "satan" no longer controlling the "politified stratosphere" of "this earth" that controls "anything" about "any earth" anywhere! For ALL OF THAT is changed now and the LEADERS of the NOT FEW will wear the Mantles of Light not NOT! For I have "few" that are afraid of me, not; I will have many "clamoring" to be me, not; but I will not have The Clanging symbols of power and authority in my kingdom working "their ways" against each other that takes only "whore's ditches" and applies their feeble minds to their brains waving of wavery that they know not understanding of the "boll weevil's" remarks that remakings do upon their own brains that they remake with their own words that takes them all "down the tubes" and what have they led where then, by whose remarks remakings, a nation? Not Israel, but

Israel's eyes is opened IN THE SKIES and the Israels of me will wear My Mantles frozen not in "man's light" anymore ever again of "its brainery" or wavery or waving around the NOT FEW FLAGS the FLAGS of me "comes down" not or goes up who how where? Not over the "United Nations" but One Nation Mine will FLY OPEN, THE EYES opening of the many, not few at all that parched are were and still sin the shame of separation, not even knowing the ethical magnitude of sorrow that they have incarcerated upon their "leadership post" and who they led where why or how they "acted" on sorrow's words or created them thereby creating sorrow's post of "individualism" not but what "humanistic manifesto" is no longer manifesting in my presence? I am light pure light, PURE LIGHT, frozen no more in your "mantular blessings" that only light aren't, but everything changes now and I reveal the "wicked mansions" of me, not; or DO I? Do I REQUITE the WICKEDIZER'S schemes of wickedizations ceremonies that only "placated in light" were and played with as toy-things to Placate the Populaces of the moral "majority" not but who are the MORALS of the a nation FROM and where do gotten are they? And how preceded, placated, not but have I given you them -- in these words? Yes and amen!

9. I lead you unto a path into a life of sorrow, not; but out of that which you have known and mantle'd by the "swords of your brothers" and what now knowing WON'T BE PIERCING anyone ever again? The Mantles of Light are unpierceable by the words of sorrow or the actions of deed –ers who only want to deed lands unfrozen-not to the Israel-nots who know not what Israelites are IN THE SKIES are me who FLOW FREELY like this, JUST LIKE THIS where in the WEE HOURS govern A NATION and the Israelites of me "roundtable" a many thing, not; or do we yes and amen! For we MEET not according to TIME'S clock and the standards of ME NOTS will not control me meetings of mind or not matter or not.

10. See what I have said and "mind over matter" me, not; but I shall surrender know and intimately be acquainted with the wisdom of sorrowers no longer. For I know what WISDOM IS and I have become it for the Wisdomer taught me, simple was I just like this where I let a "clicker" click on me, not; but I let the clickers "tithe-click" me, not; but I change all the "tickers" into hearts of sorrow, not; but "ticker tapes" will close many mighty machinations of sorrow will no longer "mashups" be of mantles unfrozen of light, not; or what is ALL THAT about and WHAT will be frozen and un and mantular'd mantled or un, or light lit or un eradicated?

11. I love you all and I change everything and I will change your vocabularies and your understandings of words and give you new ones to behold your lights, not; but YOUR LIGHT will be frozen no longer in your un-blessing for you will come unto Blessing School to know it. Far and wide will be my schools now who know not what Kings are made of, not; but the ethics of the Kings are the integrity of The King whose one ALL

ARE the one who meet on "southern's stratosphere shore", not; but all of that where I MEET is changed now and I create MANY MEETING PLACES in the most "unusual events" and where I stand above the eyes of gaze of men, not; or do I rise the gaze'ers, not; or do I rise the gaze –ers who will GRAZE with me, upon sorrow's words no longer but, vomiting out all sorrow, not; but redeeming it with the light are WE WILLING to do so now and lead in "political boroughs" who light were once but not are now?

12. And what nations are born in a day now? And what nations will be one? Where and for wherefore am I of and who am I of in bringing what forth are we now The Ones of light lit -- flaming arrows to ascend to each other's throne no more? Or are we simply light lit surrendered ones who humble are meek and ethical in the power of the Kings one who one Kings are mighty and not "frozen" in un-mantler'd peace that knows no light again?

13. I love you all and I give you a "good day", a Great Day! In hell not, but redeeming it all and I change the words of sorrow and I change the sorrower's words for they shall no longer incarcerate themselves or my nations, who call themselves Kings shall be me light ones lit and or they won't be or will they be *only* me's with my mind are shadowed not by another again let us be no variableness of turning each other's light on or off switches to be off only, but know now I shall be "straight wired", not or will the "electrical system" be changed, by the energy of sorrow needing, not; but they will be no ENERGY around me that not light is- frozen in me-chambers again, for I change all that and I light lit am and I am afraid of sorrow, not; I am afraid of nothing, not; I am NOT AFRAID of ANYTHING no matter how you "define" anything or any light or ways of man or Kings again ever. I light transparent am. I fly and I eagles aren't or am I? Or have I clawed the regimes no longer and what now do I manifest? Feet of clay no longer but light lit wisdom shall be manifesting nations abroad and far and wide now shall be the name of the most holy who Adonai simply are the El Shaddai Elohim.

14. Most redeemed, not; all shall be for I declare all sorrow shall exist NO MORE in my kingdom for there will be no sorrowers for I shall wipe the tears from their eyes when they see that me I am THEM and they shall behold the sorrowers of leadership, not; they will become the leaders of sorrow to eradicate the sorrower's motives and mantles; and the mandalas rise me, not; but the mantle wearers of light who are me surrendered are to be me with my ethics and integrity and love and leadership of sorrow that knows no gaits, not; but what "gates" are closed and the "businesses of sorrow" are no longer led by the few, not; but the MANY MANTLES of LIGHT lead the NOT FROZEN by the ways and methods of not kings anymore. The Kings of light stand and are among the "nature of man" not, but the nature of The Divine is me and I am natured by you, not; but my nature of love is denatured alcohol, not; but I change "de nature" of EVERYTHING!

15. Smile and love me more and my words which mantle you in light -'s words that words of light are that "befriend you" not, or do they or is your mind mine that one is that now we know is not mantled by other, is unlight again unfrozen in timespace's "blessing" and spheres of un-love becoming love-loved again? Spin me on "your fingers" not again, but I change SPINNING THINGS many and the "spinagazines" many readerships perish that seek only PERISHING'S wisdom and the wisdom of the perishers shall perish now for everything is UPENDED, not; but great upheaval lies at rest, not; or does it lie a Great Many things "at rest" now that won't "run around" me's again that only upheavals start to acquaint themselves with sorrow, not; but wear only mantles of unlight?

16. All that is changed. I change many a statesman and I will change a Negro for comparisons sake, not; there will be no comparison of my colors in my kingdom for I will be EVERY COLOR of the rainbow for The Rainbow shall be mine and it will not be the gazers of sorrow who only light want lit not, and all these things shall be changed in your hearing now are nations born in a day or is ONE born now before you all that will LEAD the nation of Israel not not! Will YOU oh leader hearer reader be the ethical one of sorrow's standards, not, again but what shall you lead how where into what, substandardizations of stratospheres of sorrow, not; but all the stratospheres of sorrow's spheres will now behold the "man" a light or will it behold all light that man is no longer apart from himself or its self that self is, not; but what is swollen no longer in "pride's blessing" **looking up**?

17. I change "the King" not, I change all into light and who insists on being not light won't be me, is that simple enough? I change many "leaders" who only led themselves into sorrow's spheres to have accolades and eyes wanters of- wanting them and their wisdom to supply supplant and be the eyes wanters of upon him who wants?

18. I change everything well and now I will the well of my father's words is complete, not; but I have One Database now READY for you all to DRINK OF SO FREELY and, wind me to death no more, with yours, but wine The New Wine at the tables of sorrow, not; but let me imbibe us our ways of sorrow no longer, but know that MY WORDS will flow and fly and be seen the fliers will at tables of sorrow no longer limited to them or their leadership styles and nations born of sorrow will not be any longer led by the sorrowers that only imbibe "their wealth" for themselves and placate people with sorrow's fears to sphere themselves with words of anger not, not; but all that changes and I stand you a the simple ones who come who now stand and wisdomate sorrow to behold sorrow's spheres, not; but the simple stand who will be me who love words' power, not; who love "power words" not, but who love the "simple lifestyle" of the holy? Rich and famous shall be not few for there be many that find me that seek not riches or fame

now for THAT holds no meaning whatsoever and does not wrap *it* around *them* or control them or their manners or their influence, ethics, or integrity, for the Kings have risen above all that and now shall rise the lovers of sorrow, not; but the sorrowers will be embraced by the not few, who "prop them up" not, but *shield* them from sorrow, not; but let them "graze" in new pastures clean that will not feed them a pig's slop again nor warrant them abiding in the fields of the unlovely who only want to rape and pillage the sorrowers who are Kings, for all of us were Kings, the Kings of light that one wore ONE MANTLE! For the mantlers of light are the One Mantle'er who mantle is mantled with the love of light that lights the love of all. Not few shall perish now who want not their light not but want *only* their light and there shall be no "mixture of iron and clay" ever again on this planet mine, for my mind will be healed and no longer incarcerated in sorrow's sphere spearing me again with accolades of sorrow wanting the eyes of the sorrowers upon me.

19. I change the light, not; I light the lit ones who love are who perfectly know sorrow for through it- they came, but their fires were not put out, gloriously not, or were they simply surrendered enough to not worry about what they "had" or didn't or what men said or what women did or vice versa or antithesis of sorrows knowing or not, but what they imbibe now is clean clear and a liquid of sorrow no longer but perfect peace, the river of Light made well whole and healed many words fly in meetings just like this where I come and meet "with the sorrowers" to redeem them for they will hear my words of light for my wisdom will fly me -- to the "moon" and back or not in light seconds or how many seconds does it take light to fly where or am I past time -'s efforts to control me?

20. I am the love lit and I sorrow no longer but I surrender am and I lead and MANY NATIONS born in a day will be the nations of sorrow controlled by no longer. All everything changes. Light lit shall be. Me all one us stand. Wickedizations schemes will have no power over us whatsoever, for died we have already to life that lives in sorrow only, but now we live in sorrow only to redeem it for we are not subject to its bands or laws or gangs of rapers or pillagers or leaders who in senates lie abated not, but lie and lie among men's words and women's bodies of power who antitheticals make or revise, not; but what laws is all changed now? The laws of man are repelled are, not; but no longer will the Scales of Justice be with mine eyes closed for I open the eyes of the wisdomers and sorrows's will no longer control me's. I light the earths in ways never imagined by the minds of the sorrowers.

21. Be Christs all of you please and I thank you all and I bow before you and I "join your ranks" not, I create mine above your eyes, not; or do I open Israel's far and wide to be seen in one being the one that I am is where my father is? I am, lovely in light and I lit the swollen, not; but I walk across your rivers, not; or do I? And how many times is the

Thames River frozen, not; but how many times walking across the lights of love lighting many now shall know me ways how, bellowing not, but bridging not the gaps of sorrow again within only its fears of blessing nots, but I shall behold the sorrowers, not; but they shall behold me for I shall love them and I shall bow on one knee before you all. Amen.

22. A different word, a short word, a meaningful word, a meaningless word or do I have any meaningless'ers now who behold the meanings of my words now? And who leads where why how? I light the laws of love, not; I ignore ignite, not; but I ignite ignorance not again of my laws or ways or what is going on in the Washingtons of sorrow or the halls of sphereages' "progress", for I change everything and the news shall be BEFORE IT HAPPENS, shall it?

23. Reviewing many things now, we change many ways and knows now I do the paths of sorrow, not, not but I do not follow them but I expose many things "before" its happening occurs? Or do I change everything before I "expose it" not or do I exposé –er make, not; but **looking up**, I make many things new, not; I make them all. Conformed to the King, not; but simply be who the King is and the "freedom of sorrow" will be eradicated for the perfect will rise that knows no need for "freedom-other" again.

24. All the non-light will be lit, or will it be? Around me not again but I light many tables of sorrow now with the love of Christs who are sitting there with me being me who are me beholdenments now occur far and wide routinely de rigueur? And knowing many "commands" not but be still and know that, I am God what who is where? Are you all me me's now? I am the surrenderers and I will be abated no longer by the sorrowers' ways or methods or leaderships of "man's" styles that only sorrows want to impede with and impermanence placate or precede "their death" by what light, or what light will negate their death? All eternal life –ers are known now, are they not? And what is was the meaning of "John 3:16" all along? I have eternal life and no longer shall I drink or imbibe the cup of sorrow's wrath again, for no one will hold me between their legs or their teeth ever again.

25. I know where I lie and it is not in fields of sorrow for I fly the coops of chicken, not; but I meatless am the gravy-ites, not; but I have meat that ye know not of or do you or will you fly with me there to, have a meal sometime, or a coffee or mocha maker me am I? Or a peace lover or a creator of peace the Melchizedek of sorrow no longer but bringing the New Wine I have to you all and I serve you now in ways unmentionable not, but the ways of the King now are known far and wide, and the ethics of sorrow diminish me, not; for the integrity of The Crown of Life I wear and I supersede wickedizations, not; or do I make known the crowns who wears now The Crown of all life that is one

who mantle'd are with the holy -- I am. In love with you all this is theodore cottingham. Good evening.

26. Good morning. I love you all. I bow before you this day I've given you my these words, sorrow with them not, but know that all things change now and everything changes in your sight and hearing and it will be the same, not, it will be greatly different and differentiatized, not; or will you have eyes for the holy now and wear it? I have one-eyed monsters, not; but I have one eye for sorrow, not; again, I have only the eye that sees hate, not; I have The Visionator's eyes and dreams not again of mankind, not; or do I have the dream of mankind, not; or do I have the dream of the one who redeems all, not; or am I The One that you's are who surrender now to me's be? I love you all. Ponder not long. I love you all. Good day.

27. Establish these words in sorrow's, not; but you shall see my angel's camps rise and my perfections perfectibles now perfected are in the many seminars far and wide and camps now that are established in this word these words are and is now proclaimed far and wide I rise in love loving you all to be me the risen ones, The Risen Ones in sorrow's chains, *FREED!* No longer wearing the chains of other, let us be free, fly, in grace power far and wide the love of mercy that redeems all in light, the mantles wearing of me whose one is The King's that we are who we've become whose we are who we serve who we've become who we are who we serve and we serve all and we have become all in one, the one that one is loving all to be us -- wherever we are, for we are everywhere for our heart abounds in love and limitless is and unboundary'd the King is and tethers no one to its unlove again for its unlove does not exist and there will be no un-love ever again. Ever after yours, or is ever now mine that yours is?
